MATT PARKER AND ROB EASTAWAY PRESENT:

MATHS FEST 2022

A FESTIVAL OF MATHS FOR SIXTH FORMERS

MATHS FEST is an all-day extravaganza for sixth-form students (and maths-keen KS4) to celebrate and be inspired by mathematics.

MATHS FEST 2022 will feature some of the best maths speakers in the world talking about their favourite bits of maths, and will celebrate maths as an exciting, useful and rewarding subject.

MATHS FEST is deliberately designed to reinforce normal school lessons. A fantastic day out for mathematics students, certain to leave them motivated and excited to learn more maths!
